- I J C ECOA Code. Here place ( I ) for Individual, if there is only one person on this report. ( J ) for joint report meaning there were two people on this report. Or ( C ) if this person was a co-signor, guaranteeing credit for someone else.
- Yes No Place on Locator? We suggest N. Locator reports are supplied by the credit bureau's at a cost of several dollars per report. Plus anytime this person fills out a new application somewhere you can end up being charged for a new locator report.
